### ***Mission Statement***

***Midwest Warrior Fastpitch believes every child that desires to play softball should have the opportunity to play this incredible sport. It is not our intention to fill trophy cases, there is more to learn than winning. The level of competitiveness is determined by our players, not parents or coaches. Our goal is to help each individual player see that they can exceed their own limitations, both on and off the field. We encourage healthy team development through hard work and a positive attitude. We strive to exhibit leadership, integrity, dedication, and commitment to personal growth of our entire organization.***
